Clinical experiences include dedicated time working in targeted intervention programs which support academic success and post-secondary aspirations for historically underserved populations.

Unique Attributes and Points of Pride

The SOU Early Childhood Development program ranks #3 in the nation for affordable online education degrees. Our teacher licensure programs have been redesigned to prepare all teachers to better serve English language learners and special needs students within the general education classroom. Satellite programs in Klamath Falls and Coos Bay enable aspiring teachers to complete all fieldwork and the majority of academic coursework within their local community.
